OUR CIRCLE OF SUPPORT

Gifts to the Dean's Leadership Circle are an investment in the leaders of tomorrow, building upon the academic excellence of Sacramento State by giving our Deans the resources to make the most of emerging opportunities that will benefit our students, our faculty and our Colleges.

LEADERSHIP BEGINS HERE

The Dean's Leadership Circle is a dedicated group of engaged donors who share a commitment to supporting students and academic programs at Sacramento State. As an extension of our campus community, these alumni and friends help provide funds that touch all aspects of the College—scholarship support, equipment purchases and technology upgrades, guest lectureships, faculty professional development and more.

BECOME CLOSER TO THE CAMPUS YOU CARE ABOUT

Members of the Dean's Leadership Circle receive special recognition in campus publications and in the University's annual Honor Roll of Donors. Members are also invited to select events such as football games, art exhibits, seminars, music and theatrical performances, and more.
